6. It shall also be competent for the Judges to reduce the amount of prizes, if, in their opinion, the articles exhibited do not merit the full sums.

7. Obtrusive staging, over-crowding, packing to conceal blemishes, artificial support to blooms, etc., will be judged as defects to an exhibit, preference being given to natural growth and artistic arrangement.

8. Where a number limit is laid down, any exhibit exceeding that number shall be disqualified.

9. Where one plant of each kind or variety is specified as a condition, any exhibit containing duplicates shall be disqualified.

The Judges may withhold any prize until proof of these conditions be produced. Contractors bringing up fruit and vegetables for competition in their own name can compete for prizes but not for medals.

The following Rules for awarding cups and medals at the Horticultural Shows are hereby notified to the public:—

1. His Highness the Maharaja has graciously presented three cups for competition at the Flower Shows.

(i) The Horticulturists' Cup:—This will be competed for by Nurserymen and Horticulturists.

(ii) The Amateur Cup:—This will be competed for by private gardeners.

These cups will be awarded to the Exhibitor who has obtained the highest aggregate in prizes won in classes I, II and III during the current Show.

(iii) The Floral Parade Cup:—This will be competed for by individual competitors and will be awarded to the winner of the first prize for the best florally decorated single Bicycle at the current Show.

2. The money value of the prizes will be taken in calculating the aggregate.

3. A gold medal will, for purposes of the calculation, count 50% over the first prize, a silver medal equal to the first prize, and a bronze medal and "Highly commended" equal to the lowest prize in the respective group.

4. The Cups will be held by the winners for the next six months under satisfactory arrangement for their safe custody.

5. Ten days before the following Show, the Cups must be returned to the Superintendent, Lal-Bagh, for being again put up for competition at the Show.

6. Should a competitor win the Cup at any two successive Shows, the Cup will be his or her property for good.

7. Out of the money prizes won with the Cups, (i) and (ii) a sum of Rs. 20 and 15 respectively, will be deducted to defray cost of a miniature facsimile Cup to be given as a souvenir to the last winner, except, of course, when the Cup is won outright.

8. Both Professional and Amateur compete for the same money prize in the individual groups, but in order to make the competition amongst Amateur for the Amateur Cup more complete and free from competition by Professionals, marks to make up the difference in the money value will be

given to the Amateur whenever a Professional has taken a higher prize in any group :—

Thus Nurseryman A wins I prize Rs. 8.
Amateur B " II " 5.
" C " III " 3.

Amateur B will get 3 marks in addition to his Rs. 5, so that his aggregate is the same as if he had won first prize. Similarly Amateur C will get 2 marks and takes position of second prize.

9. Gold, Silver and Bronze Medals will be available for all Classes and will be awarded at both the Summer and Winter Shows.

10. The following exhibitors will be qualified for the award of a medal :—

(*a*) The exhibitor of the best all-round exhibit in the appropriate Class or Classes.

(*b*) The exhibitor of exhibit of any more than ordinary excellence in any group.

(*c*) The exhibitor of any specially meritorious novelty.

11. Medals, where awarded, will be in places of the money prizes shown in the Prospectus against the respective items.

12. No exhibitor who has been awarded a Medal in any group will be qualified to receive another Medal in that group during the two calendar years succeeding that in which he has received the Medal.

13. No exhibitor will be qualified to receive a Medal who is not the *bonâ fide* cultivator of his exhibit or the actual occupant of the garden in which the exhibit was raised, *e.g.*, no contractor who has merely purchased fruit or vegetable exhibited will be eligible.

14. It will be open to the Judges to withhold any or all the Medals in any Show on the ground of deficiency of merit in the exhibits.
